Important Information about Your Billing Statement

Paying for University

- To make a payment, click on Records and Registration after logging into your Augnet account. There is a link to "Make a Payment".
- Set up a payment plan online through your Augnet account in order to reduce student loan debt. Make monthly payments instead of borrowing loans.
- If you are expecting a federal loan but it does not appear on your statement, please log into your Augnet account and under Records and Registration click on "Track your finaid" or contact our office.
- Private loans are options for students who have a cosigner with good credit history. Students apply for private loans through individual lenders. The application process can take over a month to complete. Further information on private loans can be found on the Student Financial Service's website.

Important Financial Online Services

- In Augnet Records and Registration you may sign up for E-refund, add a parent/guardian account access, view 1098-T tax forms, and make a payment online.
- Address updates can be made online through Augnet Records and Registration.
- The University's Credit Refund and Tuition Refund policies are available online through the Student Financial Services website.

Responsibilities and Resources

You are responsible for understanding all academic and financial policies published in the Augsburg University catalog, which is available online.

Please contact our office if you have any questions or concerns. We can schedule in person or phone appointments. Counselors are also available during our walk-in hours which are posted online.
